Day 1

Thursday 20th June

Weather: Stansted, Overcast and rain. Ljubljana; fine, hot and sunny

Seven tour participants met Paul and Kerrie at the departures gate at Stansted Airport for the flight to Ljubljana. Upon our arrival, we completed immigration formalities and collected our luggage, before making our way to the arrivals hall, where we met up with Steph, the final member of the group, and Milan and his son Miro, our divers for the week. With luggage loaded, we set off travelling towards Kranj, before joining the motoway northwest to the exit for Bled. Passing through the town we soon had spectacular views of Lake Bled and the imposing Castle Bled, perched some 130m above the lake on the north shore. Continuing on, the road ran beside the Sava Bohinjka River. Before long, we passed through the small town of Bohinjska Bistrica and the villages of Savica and Polje, before arriving in Ribcev Laz, situated at the eastern end of the beautiful Lake Bohinj, and the Alpinum Hotel Jezero, our base for the duration of the tour. Having settled into our rooms, we met in reception, where Kerrie and Paul outlined some of the program for the week. This was followed by dinner.

Day 2

Friday 21st June

Weather: Fine, hot and sunny

After breakfast, we met with our local guide, Marija, before embarking on our first full day. Our objective was to walk the path along the north side of Lake Bohinj. This route would take us through natural woodland, pastures and planted woodland of *Fagus sylvatica* (Beech) and *Picea abies* (Norway Spruce). Before setting off Marija gave us an explanation of the vegetation types and the geology, in order to give a picture of how the area developed and how it had been influenced humans. We began making our way through natural forest, comprised of *Fagus sylvatica* (Beech), *Ostrya carpinifolia* (Hop Hornbeam), *Corylus avellana* (Hazel), *Fraxinus excelsior* (Ash) and *Juniperus communis subsp. communis* (Common Juniper). Early finds included *Neottia ovata* (Twayblade), *Salvia pratensis* (Meadow Clary), *Allium vineale* (Crow Garlic), *Thalictrum aquilegifolium* (Great Meadow Rue) and *Clematis recta* (Erect Clematis). Insects were also beginning to make an appearance. These included three different Chafer, *Cetonia aurata* (Rose Chafer), *Phyllopertha horticola* (Garden Chafer) and *Oxythyrea funesta* (a Chafer). Butterflies were also appearing. Duke of Burgundy Fritillary, Small White and Pearly Heath were all recorded.

The bird life was not particularly obvious, but European Greenfinch, Common Chaffinch and European Robin were all heard. We took lunch where a stream emptied into the lake, and two members of the group elected to go for a swim, to cool off. Meanwhile Chequered Skipper, Wood White, Holly Blue, and Large Skipper butterflies were added. Moving on, we found *Cephalanthera damasonium* (White Helleborine), *Epipactis atrorubens* (Dark Red Helleborine), *Frangula alnus* (Alder Buckthorn), *Rhamnus saxatilis* (Rock Buckthorn), *Petrorhagia saxifraga* (Tunic Flower) and *Hacquetia epipactis* (Hacquetia). After crossing a boulder filled dry river bed, we added *Maianthemum bifolia* (May Lily), *Astrantia carniolica* (Carnic Masterwort), *Cirsium erisithales* (Yellow Melancholy Thistle) and *Silene alpestris* (Alpine Catchfly).

We were now closing in on the village of Ukanc, our destination. We ended the day with more exciting finds. Clouded Yellow, Idas Blue and Little Blue butterflies were added, together with *Dianthus sanguineus* (a Pink), *Campanula glomerata* (Clustered Bellflower), *Lunaria rediviva* (Perennial Honesty) and *Orobanchae gracilis* (Slender Broomrape). However, one memorable moment came where we encountered a 'wall of scent', just before finding a bank of *Dianthus sternbergii* (Sternberg's Pink). From Ukanc, we caught the boat back to the jetty at Ribcev Laz, near our hotel. As we progressed, the guide gave us some historical facts and folklore of the region as we made the fifteen minute journey.

Day 3

Saturday 22nd June

Weather: Fine Hot and Sunny. Light rain and thunder later

After breakfast, we left the hotel, and retraced our steps along the lake shore to the open meadows, where the footpath to Stara Fuzina branched off to the right, through a gate into more pasture. *Campanula rapunculoides* (Creeping Bellflower) and *Ranunculus sardous* (Hairy Buttercup) were both recorded, and some of the group had views of a Red-backed Shrike. We emerged by the car park at Stara Fuzina, and took the track up the beautiful Korita Mostnica Gorge, passing through forest, past wet rocks and also open areas of scrub and grassy banks. Common Blue, Duke of Burgundy Fritillary and Pearly Heath butterflies were seen and European Robin and Common Chaffinch were heard. *Pinguicula alpina* (Alpine Butterwort), *Genista radiata* (Southern Greenweed), *Veronica officinalis* (Heath Speedwell), *Homogyne sylvestris* (a Purple Coltsfoot), *Neottia nidus-avis* (Bird's-nest Orchid), *Lonicera xylostemum* (Fly Honeysuckle) and *Gymnadenia conopsea subsp. conopsea* (Fragrant Orchid) were all seen before we took a short breather on the rocks by the Mostnica River. Here, we found *Veronica lutea* (Yellow Paederota) and were entertained by White-throated Dippers dashing up and down the river and apparently feeding young.

Moving on, we emerged from the gorge at Pl. Koca na Vojah, a refugio, where we had lunch of goulash or mushroom soup. After our meal we continued up the gently ascending path, passing *Euonymus verrucosus* (a Spindle Tree), *Ranunculus platanifolius* (a white Buttercup), *Phyteuma nigra* (Black Rampion) and *Symphytum bulbosum* (Tuberous Comfrey). Hay meadows now opened up before us and in the margins we found the beautiful endemic *Lilium carniolicum* (Carnic Lily), together with *Dianthus barbatus* (Sweet William), *Phyteuma ovatum* (Dark Rampion), *Aconitum lycoctonum subsp. vulparia* (Wolf's-bane), *Phyteuma scheuchzeri* (Horned Rampion) and *Geranium phaeum* (Dusky Crane's-bill). In the pasture we also saw Purple-edged Copper, Ringlet, Scotch Argus and Large Skipper butterflies, and overhead four Northern Ravens were circling.

From the pastures, we re-entered the woodland, where the path took us up to the Slape Mostnice (Mostnice Waterfall). From here, we made the descent back to where we had lunch, by a different route, where the minibus was waiting to return us to the hotel in time for dinner. Along the way we found a small stand of *Neotinea ustulata* (Burnt Orchid).

Day 4

Sunday 23rd June

Weather: Warm with High cloud and sunny periods

Today, we boarded the buses at the hotel after breakfast, for the journey to Goreljek, on the Pokljuka plateau, situated northeast of Ribcev Laz. We made our way up through Stara Fuzina and Studor, through Cesnjica, Jereka and Koprivnik, before climbing up to Goreljek, where the buses dropped us off. This is an area of hay meadows, pastures, *Picea abies* (Norway Spruce) plantation forest and peat bog with natural forest.

We started the day walking down a track towards the Sotno Barje peat-bog, passing summer cottages and meadows. Early finds included *Veratrum album subsp. lobelianum* (Green False Helleborine), *Melampyrum sylvaticum* (Wood Cow-wheat), *Homogyne discolor* (a purple Colt's-foot) and *Vaccinium vitis-idaea* (Cowberry). Further on, we added *Moneses uniflora* (One-flowered Wintergreen) and *Maianthemum bifolia* (May Lily) on a track bank by a plantation, which in turn produced a single stem of the locally scarce *Neottia cordata* (Lesser Twayblade) and two small clumps of *Corallorhiza trifida* (Coralroot Orchid). There was also a brief glimpse of a *Sciurus vulgaris* (Red Squirrel). In all, this was a very exciting start to the day.

We now made our way into the peat-bog, where, initially, we added *Pinus mugo* (Dwarf Mountain Pine), *Eriophorum vaginatum* (Hare's-tail Cotton Grass) and *Vaccinium oxycoccus* (Cranberry). The bog was situated in the middle of a natural forest and had a combination of broad-walks and footpaths. At one point we saw a Common Kestrel with prey, before searching a small meadow adjacent to the bog. Here we found *Campanula barbata* (Bearded Bellflower), *Gymnadenia albida* (Small White Orchid) and *Arnica montana* (Arnica).

We took our picnic on the edge of the forest, before continuing on, exploring the road verges and other hillside meadows. The verges produced *Genista germanica* (German Greenweed), *Campanula scheuchzeri* (a Bellflower) and *Ranunculus platentifolius* (a white Buttercup). In the meadows we found large purple patches of *Pedicularis verticillata* (Verticillate Lousewort), together with *Potentilla aurea* (Golden Cinquefoil), *Gymnadenia conopsea subsp. conopsea* (Fragrant Orchid). Insect life was relatively quiet, but we did see the occasional Scotch Argus, and we added two Moths, Silver-ground Carpet and Tawny-barred Angle. We ended the day sampling the delights of a small farm where they produce local cheese. Here we also added Red-backed Shrike, Black Redstart and Northern Raven to the day's bird list, before rejoining the buses for the return journey to our hotel.

Day 5

Monday 24th June

Weather: Intermittent rain and low cloud at altitude, becoming dryer later

We awoke to torrential rain this morning, but Marija still suggested that we go up to one of the highest local areas called Vogel (1535m). The buses picked us up and took us to the cable car, which runs quite steeply up from Ukanc to the refugio station at Vogel.

In the winter, this area is an extensive ski area, with an infrastructure of chairlifts and ski tracks, bordered by limestone outcrops and predominately *Pinus mugo* (Dwarf Mountain Pine) and *Fagus sylvatica* (Beech) forest. During the ascent, we spotted *Laburnum alpinum* (Alpine Laburnum), *Sorbus aucuparia* (Rowan) and *Sambucus racemosus* (Red-berried Elder).

We set off from the Planinska (refugio), finding *Arabis glabra* (Tower Mustard), *Anemone trifolia* (Three-leaved Anemone) and *Potentilla aurea* (Golden Cinquefoil), before we retreated to the café to avoid a very heavy shower. We resumed our explorations, recording *Cardamine enneaphyllos* (Drooping Bitter-cress), *Veronica lutea* (Yellow Paeederota), *Clematis alpina* (Alpine Clematis), *Dryas octopetala* (Mountain Avens) and *Geranium sylvaticum* (Wood Crane's-bill). The rain had now become quiet steady, so we retired to the Planinska Koca Merjasec refugio for lunch and a chance to dry off a bit.

In the afternoon, some of the group went back down to Ukanc with Kerrie, where Milan was waiting to take them to the Slap Savica waterfall, dropping them some twenty minutes' walk from the falls. This footpath added *Atropa belladonna* (Deadly Nightshade) to the plant list. Meanwhile the remainder of the group stayed up at Vogel, with Paul, and continued their explorations. They moved up higher than the morning's explorations, adding *Soldanella alpina* (Alpine Snowbell), *Salix waldsteiniana* (Waldstein's Willow), *Salix herbacea* (Dwarf Willow), *Thesium alpinum* (Alpine Bastard Toadflax), *Sorbus chamaemespilus* (False Medlar), *Rumex nivalis* (Snow Dock) and, the rapidly going over, *Gentiana clusii* (Clusius's Gentian) and *Gentiana verna* (Spring Gentian). A large snow patch had a good number of *Soldanella alpina* (Alpine Snowbell) around it, also. In addition, they also heard Northern Raven and Alpine Accentor, before retracing their steps to the cable car and the bus back to the hotel for hot showers and warm drinks and dinner

Day 6

Tuesday 25th June

Weather: Mostly cloudy and warm with sunny periods and some very light rain

We began today by making a short walk to Stara Fuzina, in order to visit a bee keeper, as Honey Bees contribute to the pollination of the wonderful mountain flowers for which the Triglavski Narodni Park is so famous. Along the way we saw *Chelidonium majus* (Greater Celandine), *Cephalanthera rubra* (Red Helleborine) and *Melampyrum pratense* (Common Cow-wheat). We were introduced to Bogdan, who explained the life-cycle of hive bees, and the methods needed to ensure they lived comfortably and produced the end product, honey. He allowed us to sample the different types of honey. Whilst we were there we saw a splendid male Common Redstart and a pair of Spotted Flycatchers.

We now joined our buses to make the journey up to the mountain meadows at Vogar (1054m), high above the Bohinj Lake, on the north side. From the rough car park in the forest, we began to explore. The woodland had *Phyteuma scheuchzeri* (Horned Rampion), *Laburnum alpinum* (Alpine Laburnum) and *Cephalanthera longifolia* (Sword-leaved Helleborine). In the first meadow we examined, we found *Gymnadenia conopsea subsp. conopsea* (Fragrant Orchid), *Eriophorum gracile* (Slender Cotton-grass) and *Dactylorhiza fuchsii* (Common Spotted Orchid). Overhead we saw Northern Raven, and in adjacent trees, Eurasian Blackcap was very vocal. The previous day had been insect-free, due to weather. Not so today. Scotch Argus, Grizzled Skipper and Woodland Ringlet butterflies were recorded, as well as Poplar Hawkmoth, Mother Shipton and Silver Y moths.

Moving on through more meadows we added *Lilium carniolicum* (Carnic Lily), *Phyteuma zablbruckneri*, *Lilium martagon* (Martagon Lily), *Neottia ustulata* (Burnt Orchid) and *Gymnadenia albida* (Small White Orchid). Additional butterflies included Black-veined White, Pearl-bordered Fritillary, Heath Fritillary, Purple-shot Copper and Clouded Apollo. After our picnic, we moved on through more forest, which had *Paris quadrifolia* (Herb Paris), *Dryopteris carthusiana* (Narrow Buckler Fern) and *Pulmonaria officinalis* (Common Lungwort), to a splendid viewpoint overlooking the lake and the across the valley to Vogel, where we had been the previous day. The leaves of *Gentiana lutea* (Great Yellow Gentian) were found, and also *Trifolium rubens* (Red Trefoil), *Vicia sylvatica* (Wood vetch) and *Aconitum lycoctonum subsp. vulparia* (Wolf's-bane).

We ended the day at a meadow with *Traunsteinera globosa* (Round-headed Orchid), *Centaurea montana* (Perennial Cornflower) and a single spike of *Linum viscosum* (Sticky Flax), before taking some refreshments at the adjacent refugio. The final stop of the day came on the journey back to the hotel. We made a stop by some towering cliffs. Here we saw *Primula auricula* (Bear's-ear), although it was well past its best, *Campanula scheuchzeri* and a fabulous show of *Saxifraga crustata* (Encrusted Saxifrage).

Day 7

Wednesday 26th June

Weather: Fine, warm and sunny in the morning, persistent rain in the afternoon

Today we had a change of direction. Joining our buses, we drove eastwards to Bohinjska Bistrica, and then we took the road towards Nemski Rovt, before turning onto a forest road, which we followed for about 6 or 7 kilometres. Along the way we saw *Cicerbita alpina* (Alpine Sowthistle) and *Doronicum austriacum* (Austrian Leopard's-bane) and also Common Buzzard and Mistle Thrush. Leaving the vehicles at a footpath, we set off up the steep forested hillside towards the Oroznova Koca refugio. As we went we heard Eurasian Wren, Common Chaffinch and European Robin, and saw Eurasian Blackcap. Plants included *Corydalis cava* (Bulbous Corydalis), *Salix waldsteiniana* (Waldstein's Willow), *Sambucus racemosus* (Red-berried Elder), *Adoxa moschatellina* (Moschatel), *Ribes alpinum* (Mountain Currant), *Lycopodium annotinum* (Interrupted Clubmoss) and *Stellaria nemorum* (Wood Stitchwort). It was not too long before we emerged from the forest at the Oroznova Koca, at 1344m, where we had morning coffee. Growing around the refugio was *Ranunculus lanuginosus* (a Buttercup), *Scorzonera purpurea subsp. rosea* (a Viper's-grass) and *Rumex alpinus* (Monk's Rhubarb).

From the refugio, the path continued upwards to Crna Prst [pronounced Chur-nap-ur] at 1844m. Along the path there were a number of signs naming many of the plants, as a botanical route. Several members of the group chose to continue on upwards with Marija and Paul, with the prospect of seeing some of the high alpine species above the tree-line. The other group members, with Kerrie, selected to concentrate on the botanical trail at the lower level. The lower section of the path had *Galium odoratum* (Woodruff), *Pleurospermum austriacum* (Pleurospermum), the beautiful *Anemone narcissiflora* (Narcissus-flowered Anemone), *Saxifraga crustata* (Encrusted Saxifrage), *Hacquetia epipactis* (Hacquetia) *Polystichum lonchitis* (Holly Fern), *Actaea spicata* (Baneberry), *Lonicera caerulea* (Blue-berried Honeysuckle) and *Valeriana tripteris* (Three-leaved valerian).

After stopping to eat our picnic, Paul's group continued upwards, emerging from the trees to a large snow-patch, the margins of which had a good number of *Soldanella alpina* (Alpine Snowbell) growing around the margins. Adjacent boulders had *Primula auricula* (Bear's-ear Primrose), *Saxifraga hostii* (Host's Saxifrage) and *Saxifraga caesia* (Blue Saxifrage).

Further up the path, *Pulsatilla alpina* (Alpine Pasque Flower), *Primula elatior* (Oxlip), *Gentiana verna* (Spring Gentian) were in profusion and another rock had a small colony of *Ranunculus traunfellneri* (an Alpine Buttercup). Alpine Accentor was heard calling, but failed to show itself, and Northern Wall Brown Butterfly was added to the list. Just below the top of Crna Prst, the rain began to fall, so it was felt that we would begin to descend to the refugio and re-join the rest of the party to descend back to the forest road. On the way down, we found two of the normally nocturnal *Salamandra atra* (Alpine Salamander). At the bottom of the path, our vehicles were waiting to return us to the hotel for dinner.

Day 8

Thursday 27th June

Weather: Cloudy, but warm with sunny periods

Our final day in Slovenia began with a leisurely breakfast, and time for packing, and a visit to the church, before we set off for the town of Bled, northeast of Ribcev Laz. We stopped at the western end of Lake Bled, and walked up through the forest to the viewpoint at Ojstrica. Along the way we found *Hepatica nobilis* (Hepatica), *Cirsium erisithales* (Yellow Melancholy Thistle), *Ostrya carpinifolia* (Hop Hornbeam) and *Cardamine enneaphyllos* (Drooping Bitter-cress). The rocky viewpoint gave a splendid vista right across Lake Bled to the town, with clear views of Blejski Otok (Bled Island) and Bled Castle. Exploration of the rocky summit yielded *Teucrium chamaedrys* (Wall Germander), *Sedum album* (White Stonecrop), *Inula ensifolia* and *Teucrium montana* (Mountain Germander).

We now moved to the center of Bled, where we had some free time to enjoy the lake and eat our picnic. The Lake had Mallard and Mute Swan, and there was also Common House Martin, Spotted Flycatcher and European Goldfinch. It was now time to re-join the vehicles for the journey back to Ljubijana Airport for our flight back to Stansted...

Species Lists

Plants (* = Very localised distribution or endemic)

Scientific name	Common name	Location
PTERIDOPHYTES		
FERNS & ALLIES		
Lycopodiaceae	Clubmoss Family	
<i>Lycopodium annotinum</i>	Interrupted Clubmoss	Vogel
Equisetaceae	Horsetail Family	
<i>Equisetum palustre</i>	Marsh Horsetail	Lake Bohinj margin
Aspleniaceae	Spleenwort Family	
<i>Asplenium ruta-muraria</i>	Wall Rue	Lake Bohinj margin
<i>Asplenium trichomanes</i>	Maidenhair Spleenwort	Lake Bohinj margin
<i>Asplenium viride</i>	Green Spleenwort	Lake Bohinj margin
<i>Phyllitis scolopendrium</i>	Hart's-tongue	Vogel
Blechnaceae	Hard-fern Family	
<i>Blechnum spicant</i>	Hard-fern	Pokljuka
Dennstaedtiaceae	Bracken Family	
<i>Pteridium aquilinum</i>	Bracken	Lake Bohinj margin
Dryopteridaceae	Buckler-fern Family	
<i>Dryopteris carthusiana</i>	Narrow Buckler-fern	Vogar
<i>Dryopteris dilatata</i>	Broad Buckler-fern	Pokljuka
<i>Dryopteris filix-mas</i>	Male-fern	Lake Bohinj margin
<i>Dryopteris submontana</i>	Rigid Buckler-fern	Crna Prst
<i>Polystichum lonchitis</i>	Holly Fern	Vogel
Polypodiaceae	Polypody Family	
<i>Polypodium vulgare</i>	Common Polypody	Lake Bohinj margin
Thelypteridaceae	Marsh Fern Family	
<i>Phegopteris connectilis</i>	Beech Fern	Mostnice Gorge & meadows
Woodsiaceae	Lady-fern Family	
<i>Athyrium filix-femina</i>	Lady-fern	Lake Bohinj margin
<i>Cystopteris fragilis</i>	Brittle Bladder-fern	Vogel
<i>Cystopteris montana</i>	Mountain Bladder-fern	Vogel
<i>Gymnocarpium dryopteris</i>	Oak Fern	Mostnice Gorge & meadows
<i>Gymnocarpium robertianum</i>	Limestone Fern	Lake Bohinj margin
Gymnosperms		
Cupressaceae	Juniper Family	
<i>Juniperus communis subsp. communis</i>	Common Juniper	Lake Bohinj margin
<i>Juniperus communis subsp. alpina</i>	Dwarf Juniper	Vogel
Pinaceae	Pine Family	
<i>Abies alba</i>	European Silver Fir	Vogar
<i>Larix decidua</i>	European Larch	Lake Bohinj margin

Scientific name	Common name	Location
<i>Picea abies</i> subsp. <i>abies</i>	Spruce	Lake Bohinj margin
<i>Pinus mugo</i>	Dwarf Mountain Pine	Pokljuka
Dicotyledons		
Aceraceae	Maple Family	
<i>Acer campestre</i>	Field Maple	Mostnice Gorge & meadows
<i>Acer platanoides</i>	Norway Maple	Lake Bohinj margin
<i>Acer pseudoplatanus</i>	Sycamore	Lake Bohinj margin
Adoxaceae	Moschatel Family	
<i>Adoxa moschatellina</i>	Moschatel	Crna Prst
Anacardiaceae	Sumach Family	
<i>Cotinus coggygria</i>	Smoke-tree	Lake Bohinj margin
Apiaceae	Carrot Family	
<i>Aegopodium podagraria</i>	Ground Elder	Lake Bohinj margin
<i>Angelica sylvestris</i>	Wild Angelica	Lake Bohinj margin
<i>Anthriscus sylvestris</i>	Cow Parsley	Stara Fuzina
<i>Astrantia carniolica</i> *	Carnic Masterwort	Lake Bohinj margin
<i>Astrantia major</i>	Great Masterwort	Lake Bohinj margin
<i>Chaerophyllum aureum</i>	Golden Chervil	Lake Bohinj margin
<i>Daucus carota</i>	Wild Carrot	Stara Fuzina
<i>Hacquetia epipactis</i>	Hacquetia	Lake Bohinj margin
<i>Heracleum mantegazzianum</i>	Giant Hogweed	Mostnice Gorge & meadows
<i>Heracleum austriacum</i> subsp. <i>siifolium</i> *	Pink Hogweed	Pokljuka
<i>Heracleum sphondylium</i>	Hogweed	Vogar
<i>Laserpitium latifolium</i>	Broad-leaved Sermountain	Vogar
<i>Laserpitium siler</i>	a Sermountain	Lake Bohinj margin
<i>Myrrhis odorata</i>	Sweet Cicely	Mostnice Gorge & meadows
<i>Pimpinella major</i>	Greater Burnet Saxifrage	Vogar
<i>Pimpinella saxifraga</i>	Burnet Saxifrage	Crna Prst
<i>Pleurospermum austriacum</i>	-	Crna Prst
<i>Sanicula europaea</i>	Sanicle	Lake Bohinj margin
Apocynaceae	Periwinkle Family	
<i>Vinca minor</i>	Lesser Periwinkle	Lake Bohinj margin
Aristolochiaceae	Birthwort Family	
<i>Asarum europaeum</i>	Asarabacca	Lake Bohinj margin
Asclepiadaceae	Milkweed Family	
<i>Vincetoxicum hirundinaria</i>	Swallow-wort	Lake Bohinj margin
Asteraceae	Daisy Family	
<i>Achillea clavennae</i>	Silvery Millfoil	Vogel
<i>Achillea millefolium</i>	Yarrow	Lake Bohinj margin
<i>Adenostyles alpina</i>	Adenostyles	Mostnice Gorge & meadows
<i>Antennaria dioica</i>	Cat's-foot	Pokljuka
<i>Aposeris foetida</i>	Aposeris	Lake Bohinj margin
<i>Arnica montana</i>	Arnica	Mostnice Gorge & meadows

Scientific name	Common name	Location
<i>Aster bellidiastrum</i>	False Aster	Mostnice Gorge & meadows
<i>Bellis perennis</i>	Daisy	Ribcev Laz
<i>Bupthalmum salicifolium</i>	Yellow Ox-eye	Lake Bohinj margin
<i>Carlina acaulis</i>	Stemless Carlina Thistle	Pokljuka
<i>Centaurea carniolica*</i>	Carnic Knapweed	Lake Bohinj margin
<i>Centaurea montana</i>	Perennial Cornflower	Vogar
<i>Centaurea pseudophrygia</i>	Wig Knapweed	Mostnice Gorge & meadows
<i>Cicerbita alpina</i>	Alpine Sowthistle	Crna Prst
<i>Cirsium erisithales</i>	Yellow Melancholy Thistle	Lake Bohinj margin
<i>Cirsium oleraceum</i>	Cabbage Thistle	Mostnice Gorge & meadows
<i>Crepis aurea</i>	Golden Hawksbeard	Pokljuka
<i>Crepis incarnata</i>	a Pink Hawksbeard	Mostnice Gorge & meadows
<i>Doronicum austriacum</i>	Austrian Leopard's-bane	Lake Bohinj margin
<i>Doronicum orientale</i>	a Leopard's-bane	Crna Prst
<i>Erigeron annuus</i>	Annual Fleabane	Stara Fuzina
<i>Eupatoria cannabinum</i>	Hemp Agrimony	Lake Bohinj margin
<i>Galinsoga quadriradiata</i>	Gallant Soldier	Stara Fuzina
<i>Homogyne alpina</i>	Alpine Colts-foot	Vogel
<i>Homogyne discolor</i>	a Colt's-foot	Pokljuka
<i>Homogyne sylvestris</i>	a Colt's-foot	Mostnice Gorge & meadows
<i>Inula ensifolia</i>	-	Vogar
<i>Lapsana communis</i>	Nipplewort	Stara Fuzina
<i>Leucanthemum vulgare</i>	Ox-eye Daisy	Lake Bohinj margin
<i>Mycelis muralis</i>	Wall Lettuce	Lake Bohinj margin
<i>Petasites albus</i>	White Butterbur	Lake Bohinj margin
<i>Pilosella officinarum</i>	Mouse-eared Hawkweed	Mostnice Gorge & meadows
<i>Scorzonera purpurea subsp. rosea</i>	Pink Viper's-grass	Crna Prst
<i>Senecio squalidus</i>	Rock Ragwort	Vogel
<i>Solidago virgaurea</i>	Goldenrod	Pokljuka
<i>Tragopogon pratensis subsp. orientalis</i>	Goat's-beard	Vogar
Berberidaceae	Barberry Family	
<i>Berberis vulgaris</i>	Barberry	Lake Bohinj margin
Betulaceae	Birch Family	
<i>Alnus viridis</i>	Green Alder	Vogel
<i>Betula pubescens</i>	Downy Birch	Lake Bohinj margin
<i>Carpinus betulus</i>	Hornbeam	Lake Bohinj margin
<i>Corylus avellana</i>	Hazel	Lake Bohinj margin
<i>Ostrya carpinifolia</i>	Hop Hornbeam	Lake Bohinj margin
Boraginaceae	Forget-me-not Family	
<i>Echium vulgare</i>	Viper's-bugloss	Lake Bohinj margin
<i>Lithospermum officinale</i>	Common Gromwell	Lake Bohinj margin
<i>Myosotis alpestris</i>	Alpine Wood Forget-me-not	Vogel
<i>Myosotis arvensis</i>	Field Forget-me-not	Mostnice Gorge & meadows
<i>Myosotis sylvatica</i>	Wood Forget-me-not	Pokljuka
<i>Symphytum bulbosum</i>	Bulbous Comfrey	Mostnice Gorge & meadows
<i>Symphytum x uplandicum</i>	Russian Comfrey	Lake Bohinj margin
Brassicaceae	Cabbage Family	
<i>Alliaria petiolata</i>	Garlic Mustard	Unkanc

Scientific name	Common name	Location
<i>Arabis alpina</i> subsp. <i>caucasica</i>	Alpine Rock-cress	Vogel
<i>Arabis glabra</i>	Tower Mustard	Vogel
<i>Arabis hirsuta</i>	Hairy Rock-cress	Vogel
<i>Arabis procurrens</i> var. <i>vochinensis</i>	-	Crna Prst
<i>Arabidopsis thaliana</i>	Thale Cress	Ribcev Laz
<i>Armoracia rusticana</i>	Horse-radish	Mostnice Gorge & meadows
<i>Biscutella laevigata</i>	a Buckler Mustard	Crna Prst
<i>Capsella bursa-pastoris</i>	Shepherd's-purse	Ribcev Laz
<i>Cardamine bulbifera</i>	Bulbous Bitter-cress	Crna Prst
<i>Cardamine enneaphyllos</i>	Drooping Bitter-cress	Crna Prst
<i>Cardamine flexuosa</i>	Wavy Bitter-cress	Crna Prst
<i>Cardamine impatiens</i>	Narrow-leaved Bitter-cress	Lake Bohinj margin
<i>Cardamine pratense</i>	Lady's Smock or Cuckoo Flower	Pokljuka
<i>Kernera saxatilis</i>	Kernera	Vogel
<i>Lunaria rediviva</i>	Perennial Honesty	Lake Bohinj margin
<i>Thlaspi montanum</i>	Mountain Penny-cress	Vogel
Campanulaceae	Bellflower Family	
<i>Campanula barbata</i>	Bearded Bellflower	Pokljuka
<i>Campanula glomerata</i>	Clustered Bellflower	Ukanc
<i>Campanula patula</i>	Spreading Bellflower	Lake Bohinj margin
<i>Campanula rapunculoides</i>	Creeping Bellflower	Mostnice Gorge & meadows
<i>Campanula scheuchzeri</i>	Scheuchz's Bellflower	Pokljuka
<i>Campanula thyrsoides</i> subsp. <i>carniolica</i> *	Carnic Bellflower	Mostnice Gorge & meadows
<i>Campanula trachelium</i>	Nettle-leaved Bellflower	Lake Bohinj margin
<i>Phyteuma nigra</i>	Black Rampion	Mostnice Gorge & meadows
<i>Phyteuma orbiculare</i>	Round-headed Rampion	Lake Bohinj margin
<i>Phyteuma ovatum</i>	Dark Rampion	Mostnice Gorge & meadows
<i>Phyteuma scheuchzeri</i>	Horned Rampion	Mostnice Gorge & meadows
<i>Phyteuma zahlbruckneri</i>	a Rampion	Pokljuka
Caprifoliaceae	Honeysuckle Family	
<i>Lonicera alpigena</i>	Alpine Honeysuckle	Crna Prst
<i>Lonicera caerulea</i>	Blue-berried Honeysuckle	Crna Prst
<i>Lonicera nigra</i>	Black-berried Honeysuckle	Crna Prst
<i>Lonicera xylosteum</i>	Fly Honeysuckle	Mostnice Gorge & meadows
<i>Sambucus ebulus</i>	Dwarf Elder	Lake Bohinj margin
<i>Sambucus nigra</i>	Elder	Lake Bohinj margin
<i>Sambucus racemosus</i>	Red-berried Elder	Vogel
<i>Viburnum lantana</i>	Wayfaring Tree	Lake Bohinj margin
<i>Viburnum opulus</i>	Guelder Rose	Lake Bohinj margin
Caryophyllaceae	Pink Family	
<i>Arenaria serpyllifolia</i> subsp. <i>serpyllifolia</i>	Thyme-leaved Sandwort	Lake Bohinj margin
<i>Cerastium arvense</i>	Field Mouse-ear	Vogel
<i>Cerastium fontanum</i>	Common Mouse-ear	Lake Bohinj margin
<i>Cerastium strictum</i>	Mouse-ear	Crna Prst
<i>Dianthus barbatus</i>	Sweet William	Mostnice Gorge & meadows
<i>Dianthus sanguineus</i>	a Pink	Ukanc
<i>Dianthus sternbergii</i>	a Fringed Pink	Lake Bohinj margin
<i>Lychnis flos-cuculi</i>	Ragged Robin	Lake Bohinj margin
<i>Minuartia verna</i>	Spring Sandwort	Vogel

Scientific name	Common name	Location
<i>Moehringia muscosa</i>	-	Lake Bohinj margin
<i>Petrorhagia saxifraga</i>	Tunic Flower	Lake Bohinj margin
<i>Silene alpestris</i>	Alpine Catchfly	Lake Bohinj margin
<i>Silene dioica</i>	Red Campion	Ukanc
<i>Silene latifolia</i>	White Campion	Lake Bohinj margin
<i>Silene nutans</i>	Nottingham Catchfly	Lake Bohinj margin
<i>Silene vulgaris</i>	Bladder Campion	Pokljuka
<i>Stellaria graminifolia</i>	Lesser Stitchwort	Lake Bohinj margin
<i>Stellaria media</i>	Common Chickweed	Lake Bohinj margin
<i>Stellaria nemorum</i>	Wood Stichwort	Crna Prst
Celastraceae	Spindle Family	
<i>Euonymus europaeus</i>	Spindle	Mostnice Gorge & meadows
<i>Euonymus latifolius</i>	Large-leaved Spindle	
<i>Euonymus verrucosus</i>	Eastern Spindle	Mostnice Gorge & meadows
Chenopodiaceae	Goose-foot Family	
<i>Chenopodium bonus-henricus</i>	Good King Henry	Pokljuka
Cistaceae	Rock-rose Family	
<i>H. nummularium subsp. grandiflorum</i>	Large-flowered Rock-rose	Crna Prst
<i>H.oelandicum subsp. alpestre</i>	Alpine Rock-rose	Lake Bohinj margin
Crassulaceae	Stonecrop Family	
<i>Sedum album</i>	White Stonecrop	Ojstrica, Bled
<i>Sedum atratum</i>	Dark Stonecrop	Vogel
<i>Sedum sexangulare</i>	Tasteless Stonecrop	Lake Bohinj margin
Dipsacaceae	Teasel Family	
<i>Knautia arvensis</i>	Field Scabious	Lake Bohinj margin
Ericaceae	Heath family	
<i>Erica carnea</i>	Spring Heath	Lake Bohinj margin
<i>Rhododendron hirsutum</i>	Hairy Alpenrose	Vogel
<i>Rhodothamnus chamaecistus</i>	Dwarf Alpenrose	Vogel
<i>Vaccinium myrtillus</i>	Bilberry	Mostnice Gorge & meadows
<i>Vaccinium oxycoccus</i>	Cranberry	Pokljuka
<i>Vaccinium vitis-idaea</i>	Cowberry	Pokljuka
Euphorbiaceae	Spurge Family	
<i>Euphorbia amygdaloides</i>	Wood Spurge	Lake Bohinj margin
<i>Euphorbia angulata</i>	-	Lake Bohinj margin
<i>Euphorbia cyparissias</i>	Cypress Spurge	Lake Bohinj margin
<i>Mercurialis perennis</i>	Dog's Mercury	Vogar
Fabaceae	Pea Family	
<i>Anthyllis vulneraria subsp. alpestris</i>	Kidney-vetch	Lake Bohinj margin
<i>Astragalus glycyphyllos</i>	Wild Liquorice	Lake Bohinj margin
<i>Chamaecytisus purpureus</i>	Purple Broom	Lake Bohinj margin
<i>Chamaecytisus hirsutus</i>	Hairy Broom	Lake Bohinj margin
<i>Dorycnium pentaphyllum</i>	-	Lake Bohinj margin
<i>Genista germanica</i>	Prickly Greenweed	Pokljuka

Scientific name	Common name	Location
<i>Genista radiata</i>	Southern Greenweed	Lake Bohinj margin
<i>Genista tinctoria</i>	Dyers Greenweed	Lake Bohinj margin
<i>Hippocrepis comosa</i>	Horseshoe Vetch	Lake Bohinj margin
<i>Laburnum alpinum</i>	Alpine Laburnum	Vogar
<i>Lathyrus annuus</i>	Annual Pea	Mostnice Gorge & meadows
<i>Lathyrus occidentalis</i>	-	Crna Prst
<i>Lathyrus pratensis</i>	Yellow Vetchling	Mostnice Gorge & meadows
<i>Lathyrus vernus</i>	Spring Vetchling	Lake Bohinj margin
<i>Lotus alpinus</i>	Alpine Bird's-foot Trefoil	Vogel
<i>Lotus corniculatus</i>	Bird's-foot Trefoil	Lake Bohinj margin
<i>Trifolium medium</i>	Zigzag Clover	Lake Bohinj margin
<i>Trifolium montanum</i>	Mountain Clover	Lake Bohinj margin
<i>Trifolium pratense</i>	Red Clover	Lake Bohinj margin
<i>Trifolium repens</i>	White Clover	Lake Bohinj margin
<i>Trifolium rubens</i>	Red Trefoil	Vogar
<i>Vicia cracca</i>	Tufted vetch	Mostnice Gorge & meadows
<i>Vicia sepium</i>	Bush Vetch	Lake Bohinj margin
<i>Vicia sylvatica</i>	Wood Vetch	Mostnice Gorge & meadows
Fagaceae	Oak & Beech Family	
<i>Fagus sylvatica</i>	Beech	Lake Bohinj margin
Fumariaceae	Fumitory Family	
<i>Corydalis cava (C.bulbosa)</i>	Bird-in-a-Bush	Crna Prst
Gentianaceae	Gentian Family	
<i>Gentiana asclepiadea</i>	Willow-leaved Gentian	Mostnice Gorge & meadows
<i>Gentiana clusii</i>	Clusius' Gentian	Vogel
<i>Gentiana cruciata</i>	Cross Gentian	Mostnice Gorge & meadows
<i>Gentiana utriculosa</i>	Bladder Gentian	Vogel
<i>Gentiana verna</i>	Spring Gentian	Vogel
Geraniaceae	Geranium Family	
<i>Geranium phaeum</i>	Dusky Crane's-bill	Mostnice Gorge & meadows
<i>Geranium pyrenaicum</i>	Hedgerow Crane's-bill	Pokljuka
<i>Geranium robertianum</i>	Herb Robert	Lake Bohinj margin
<i>Geranium sylvaticum</i>	Wood Crane's-bill	Crna Prst
Globulariaceae	Globularia Family	
<i>Globularia cordifolia</i>	Matted Globularia	Mostnice Gorge & meadows
Grossulariaceae	Gooseberry Family	
<i>Ribes alpinum</i>	Mountain Currant	Crna Prst
Juglandaceae	Walnut Family	
<i>Juglans regia</i>	Walnut	Lake Bohinj margin
Lamiaceae	Dead-nettle Family	
<i>Ajuga genevensis</i>	Blue Bugle	Lake Bohinj margin
<i>Ajuga pyramidalis</i>	Pyramidal Bugle	Crna Prst
<i>Ajuga reptans</i>	Bugle	Mostnice Gorge & meadows
<i>Ballota nigra</i>	Black Horehound	Near Stara Fuzina

Scientific name	Common name	Location
<i>Betonica alopecuroides</i>	Yellow Betony	Lake Bohinj margin
<i>Clinopodium alpinum</i>	Alpine Basil-thyme	Lake Bohinj margin
<i>Lamium garganicum</i>	Large Red Dead-nettle	Lake Bohinj margin
<i>Lamium orvala</i>	Balm-leaved Archangel	Lake Bohinj margin
<i>Lamium purpureum</i>	Red Dead-nettle	Ribcev Laz
<i>Melittis melissophyllum</i>	Bastard Balm	Lake Bohinj margin
<i>Mentha arvensis</i>	Corn Mint	Lake Bohinj margin
<i>Origanum vulgare</i>	Wild Marjoram	Lake Bohinj margin
<i>Prunella vulgaris</i>	Selfheal	Lake Bohinj margin
<i>Salvia glutinosa</i>	Jupiter's Distaff	Lake Bohinj margin
<i>Salvia pratensis</i>	Meadow Clary	Lake Bohinj margin
<i>Scutellaria galericulata</i>	Skullcap	Unkanc
<i>Teucrium chamaedrys</i>	Wall Germander	Lake Bohinj margin
<i>Teucrium montanum</i>	Mountain Germander	Ojstrica, Bled
<i>Thymus polytrichus</i>	Wild Thyme	Pokljuka
<i>Thymus pulegioides</i>	Greater Thyme	Lake Bohinj margin
<i>Thymus serpyllum</i>	A Thyme	Lake Bohinj margin
Lentibulariaceae	Bladderwort Family	
<i>Pinguicula alpina</i>	Alpine Butterwort	Mostnice Gorge & meadows
Linaceae	Flax Family	
<i>Linum catharticum</i>	Purging or Fairy Flax	Lake Bohinj margin
<i>Linum julicum*</i>	Julian Flax	Crna Prst
<i>Linum perenne subsp. alpinum</i>	Perennial Flax	Vogel
<i>Linum viscosum</i>	Sticky Flax	Vogar
Lythraceae	Purple-loosestrife Family	
<i>Lythrum salicaria</i>	Purple-loosestrife	Lake Bohinj margin
Oleaceae	Olive Family	
<i>Fraxinus excelsior</i>	Ash	Lake Bohinj margin
<i>Ligustrum vulgare</i>	Wild Privet	Mostnice Gorge & meadows
Onagraceae	Willowherb Family	
<i>Epilobium montanum</i>	Broad-leaved Willowherb	Lake Bohinj margin
Orobanchaceae	Broomrape Family	
<i>Orobanche gracilis</i>	Slender Broomrape	Lake Bohinj margin
Oxalidaceae	Wood-sorrel Family	
<i>Oxalis acetosella</i>	Wood-sorrel	Pokljuka
Papaveraceae	Poppy Family	
<i>Chelidonium majus</i>	Greater Celandine	Stara Fuzina
<i>Papaver aurantiacum</i>	Rhaetian Poppy	Crna Prst
Plantaginaceae	Plantain Family	
<i>Plantago lanceolata</i>	Ribwort Plantain	Vogar
<i>Plantago major</i>	Greater Plantain	Mostnice Gorge & meadows
<i>Plantago media</i>	Hoary or Lamb's-tail Plantain	Mostnice Gorge & meadows

Scientific name	Common name	Location
Polygalaceae		
<i>Polygala alpestris</i>	Mountain Milkwort	Vogel
<i>Polygala chamaebuxus</i>	Shrubby Milkwort	Pokljuka
<i>Polygala vulgaris</i>	Common Milkwort	Lake Bohinj margin
Polygonaceae		
<i>Persicaria vivipara</i>	Alpine Bistort	Pokljuka
<i>Rumex alpinus</i>	Monk's Rhubarb	Pokljuka
<i>Rumex acetosa</i>	Sorrel	Near Stara Fuzina
<i>Rumex crispus</i>	Curled Dock	Ribcev Laz
<i>Rumex nivalis</i>	Snow Dock	Vogel
<i>Rumex obtusifolius</i>	Broad-leaved Dock	Ribcev Laz
<i>Rumex scutatus</i>	French Sorrel	Lake Bohinj margin
Primulaceae		
<i>Cyclamen purpurescens</i>	a Cyclamen	Lake Bohinj margin
<i>Lysimachia vulgaris</i>	Yellow Loosestrife	Lake Bohinj margin
<i>Primula auricula</i>	Bear's-ear Primrose	Vogel
<i>Primula minima</i>	Least Primrose	Crna Prst
<i>Primula veris</i>	Cowslip	Vogel
<i>Soldanella alpina</i>	Alpine Snowbell	Vogel
Pyrolaceae		
<i>Moneses uniflora</i>	One-flowered Wintergreen	Pokljuka
Ranunculaceae		
<i>Aconitum angustifolium</i>	Narrow-leaved Monk's-hood	Lake Bohinj margin
<i>Aconitum lycoctonum subsp. vulparia</i>	Wolf's-bane	Lake Bohinj margin
<i>Actaea spicata</i>	Baneberry	Crna Prst
<i>Anemone trifolia</i>	Three-leaved Anemone	Lake Bohinj margin
<i>Anemone narcissifolia</i>	Narcissus-flowered Anemone	Crna Prst
<i>Anemone nemorosa</i>	Wood Anemone	Pokljuka
<i>Aquilegia vulgaris</i>	Columbine	Lake Bohinj margin
<i>Caltha palustris</i>	Kingcups	Lake Bohinj margin
<i>Clematis recta</i>	Upright Clematis	Lake Bohinj margin
<i>Clematis vitalba</i>	Old-man's-Beard	Mostnice Gorge & meadows
<i>Helleborus foetidus</i>	Stinking Hellebore	Lake Bohinj margin
<i>Heleborus niger</i>	Christmas Rose	Lake Bohinj margin
<i>Hepatica nobilis</i>	Hepatica	Lake Bohinj margin
<i>Pulsatilla alpina subsp. alpina</i>	Alpine Pasqueflower	Crna Prst
<i>Ranunculus aconitifolius</i>	Aconite-leaved Buttercup	Lake Bohinj margin
<i>Ranunculus acris</i>	Meadow Buttercup	Mostnice Gorge & meadows
<i>Ranunculus auricomus</i>	Wood Goldilocks	Pokljuka
<i>Ranunculus ficaria agg</i>	Lesser Celandine	Pokljuka
<i>Ranunculus hybridus</i>	Hybrid Buttercup	Vogel
<i>Ranunculus lanuginosus</i>	a Buttercup	Crna Prst
<i>Ranunculus platanifolius</i>	a Buttercup	Pokljuka
<i>Ranunculus sardous</i>	Hairy Buttercup	Near Stara Fuzina
<i>Ranunculus traunfellneri</i>	an Alpine Buttercup	Crna Prst
<i>Thalictrum aquilegifolium</i>	Great Meadow-rue	Lake Bohinj margin
<i>Trollius europaeus</i>	Globeflower	Pokljuka

Scientific name	Common name	Location
Rhamnaceae		
<i>Frangula alnus</i>	Alder Buckthorn	Lake Bohinj margin
<i>Rhamnus fallax</i>	an Alpine Buckthorn	Vogar cliffs
<i>Rhamnus saxatilis</i>	Rock Buckthorn	Lake Bohinj margin
Rosaceae		
<i>Alchemilla alpina</i>	Alpine Lady's-mantle	Lake Bohinj margin
<i>Aruncus dioicus</i>	Goat's-beard Spiraea	Lake Bohinj margin
<i>Crataegus monogyna</i>	Hawthorn	Lake Bohinj margin
<i>Dryas octopetala</i>	Mountain Avens	Vogel
<i>Filipendula ulmaria</i>	Meadowsweet	Lake Bohinj margin
<i>Filipendula vulgaris</i>	Dropwort	Lake Bohinj margin
<i>Fragaria vesca</i>	Wild Strawberry	Lake Bohinj margin
<i>Geum rivale</i>	Water Avens	Mostnice Gorge & meadows
<i>Geum urbanum</i>	Wood Avens or Herb Bennet	Lake Bohinj margin
<i>Potentilla aurea</i>	Golden Cinquefoil	Pokljuka
<i>Potentilla caulescens</i>	Lax Potentilla	Mostnice Gorge & meadows
<i>Potentilla erecta</i>	Tormentil	Lake Bohinj margin
<i>Prunus domestica</i>	Wild Plum	Mostnice Gorge & meadows
<i>Rosa canina</i> agg	Dog Rose	Lake Bohinj margin
<i>Rosa glauca</i>	Blue-leaved Rose	Lake Bohinj margin
<i>Rosa pendulina</i>	Alpine Rose	Ukanc
<i>Rubus saxatilis</i>	Stone Bramble	Lake Bohinj margin
<i>Sanguisorba minor</i> agg	Salad Burnet	Lake Bohinj margin
<i>Sanguisorba officinalis</i>	Great Burnet	Lake Bohinj margin
<i>Sorbus aria</i> agg	Whitebeam	Lake Bohinj margin
<i>Sorbus aucuparia</i>	Rowan	Lake Bohinj margin
<i>Sorbus chamaemespilus</i>	False Medlar	Pokljuka
Rubiaceae		
<i>Cruciata glabra</i>	a Crosswort	Pokljuka
<i>Galium mollugo</i>	Hedge Bedstraw	Lake Bohinj margin
<i>Galium odoratum</i>	Woodruff	Lake Bohinj margin
<i>Galium verum</i>	Lady's Bedstraw	Lake Bohinj margin
Salicaceae		
<i>Salix caprea</i>	Goat Willow	Lake Bohinj margin
<i>Salix cinerea</i>	Grey Willow	Lake Bohinj margin
<i>Salix elaeagnos</i>	Rosemary Willow	Lake Bohinj margin
<i>Salix herbacea</i>	Least Willow	Vogel
<i>Salix waldsteiniana</i>	a Mountain Willow	Vogel
Santalaceae		
<i>Thesium alpinum</i>	Alpine Bastard Toadflax	Vogel
<i>Thesium c.f. linophyllon</i>	Flax-leaved Bastard Toadflax	Lake Bohinj margin
Saxifragaceae		
<i>Chrysosplenium alternifolium</i>	Alternate-leaved Golden Saxifrage	Lake Bohinj margin
<i>Saxifraga aizoides</i>	Yellow Mountain Saxifrage	Vogel
<i>Saxifraga caesia</i>	Blue Saxifrage	Crna Prst
<i>Saxifraga crustata</i>	Encrusted Saxifrage	Vogar cliffs
<i>Saxifraga cuneifolia</i>	Spoon-leaved Saxifrage	Mostnice Gorge & meadows

Scientific name	Common name	Location
<i>Saxifraga hostii</i>	Host's Saxifrage	Crna Prst
<i>Saxifraga rotundifolia</i>	Round-leaved Saxifrage	Mostnice Gorge & meadows
Scrophulariaceae	Figwort Family	
<i>Melampyrum pratense</i>	Common Cow-wheat	Lake Bohinj margin
<i>Melampyrum sylvaticum</i>	Wood Cow-wheat	Lake Bohinj margin
<i>Pedicularis rostratospicata</i>	Flesh-pink Lousewort	Lake Bohinj margin
<i>Pedicularis verticillata</i>	Verticillate Lousewort	Pokljuka
<i>Scrophularia canina subsp. hoppii</i>	Alpine Figwort	Lake Bohinj margin
<i>Verbascum nigrum</i>	Dark Mullein	Lake Bohinj margin
<i>Veronica arvensis</i>	Wall Speedwell	Vogar
<i>Veronica austriaca agg.</i>	Large Speedwell	Lake Bohinj margin
<i>Veronica beccabunga</i>	Brooklime	Lake Bohinj margin
<i>Veronica chamaedrys</i>	Germander Speedwell	Mostnice Gorge & meadows
<i>Veronica (Paederota) lutea</i>	Yellow Paederota	Mostnice Gorge & meadows
<i>Veronica officinalis</i>	Heath Speedwell	Mostnice Gorge & meadows
<i>Veronica urticifolia</i>	Nettle-leaved Speedwell	Lake Bohinj margin
Solanaceae	Nightshade Family	
<i>Atropa belladonna</i>	Deadly Nightshade	Slap Savica waterfall
<i>Solanum dulcamara</i>	Bittersweet	Ribcev Laz
Thymelaeaceae	Mezereon Family	
<i>Daphne mezereum</i>	Mezereon	Lake Bohinj margin
Tiliaceae	Lime Family	
<i>Tilia platyphyllos</i>	Broad-leaved Lime	Lake Bohinj margin
Urticaceae	Nettle Family	
<i>Parietaria judaica</i>	Pellitory-of-the-Wall	Stara Fuzina
<i>Urtica dioica</i>	Common Nettle	Stara Fuzina
Valerianaceae	Valerian Family	
<i>Valeriana montana</i>	Mountain Valerian	Lake Bohinj margin
<i>Valeriana officinalis</i>	Common Valerian	Lake Bohinj margin
<i>Valeriana saxatilis</i>	Rock Valerian	Vogel
<i>Valeriana tripteris</i>	Three-leaved Valerian	Vogel
Violaceae	Violet Family	
<i>Viola biflora</i>	Yellow Violet	Vogel
<i>Viola canina</i>	True Dog Violet	Pokljuka
<i>Viola riviniana</i>	Common Dog Violet	Pokljuka
<i>Viola tricolor subsp. subalpina</i>	Alpine Heartsease	Pokljuka
Monocotyledons		
Alliaceae	Onion Family	
<i>Allium victorialis</i>	Alpine Leek	Crna Prst
<i>Allium vineale</i>	Crow Garlic	Lake Bohinj margin
Asparagaceae	Asparagus Family	
<i>Convallaria majalis</i>	Lily-of-the -Valley	Lake Bohinj margin

Scientific name	Common name	Location
<i>Maianthemum bifolium</i>	May Lily	Lake Bohinj margin
<i>Polygonatum multiflorum</i>	Solomon's Seal	Lake Bohinj margin
<i>Polygonatum verticillatum</i>	Whorled Solomon's Seal	Mostnice Gorge & meadows
<i>Ruscus aculeatus</i>	Butcher's-broom	
Colchicaceae	Meadow Saffron Family	
<i>Colchicum autumnale</i>	Autumn Crocus (leaves)	Pokljuka
Cyperaceae	Sedge Family	
<i>Carex caryophylla</i>	Spring Sedge	Lake Bohinj margin
<i>Carex demissa</i>	Common Yellow Sedge	Lake Bohinj margin
<i>Carex digitata</i>	Fingered Sedge	Lake Bohinj margin
<i>Carex dioica</i>	Dioecious Sedge	Vogar
<i>Carex flacca</i>	Glaucous Sedge	Mostnice Gorge & meadows
<i>Carex flava</i>	Greater Yellow Sedge	Lake Bohinj margin
<i>Carex lepidocarpa</i>	Long-bracted Yellow Sedge	Mostnice Gorge & meadows
<i>Carex nigra</i>	Common Sedge	Vogar
<i>Carex remota</i>	Remote Sedge	Lake Bohinj margin
<i>Carex strigosa</i>	Thin-spiked Wood-sedge	Mostnice Gorge & meadows
<i>Carex sylvatica</i>	Wood Sedge	Lake Bohinj margin
<i>Carex vaginata</i>	Sheathed Sedge	Lake Bohinj margin
<i>Carex vesicaria</i>	Bladder-sedge	Pokljuka
<i>Eriophorum gracile</i>	Slender Cotton-grass	Vogar
<i>Eriophorum vaginatum</i>	Hare's-tail Cotton-grass	Pokljuka
Dioscoreaceae	Black Bryony Family	
<i>Tamus communis</i>	Black Bryony	Lake Bohinj margin
Juncaceae	Rush Family	
<i>Luzula luzuloides</i>	White Woodrush	Pokljuka
<i>Luzula multiflorum</i> agg.	Heath Woodrush	Lake Bohinj margin
<i>Luzula nivea</i>	Snowy Woodrush	Lake Bohinj margin
<i>Luzula pilosa</i>	Hairy Woodrush	Pokljuka
Liliaceae	Lily Family	
<i>Lilium carnolicum</i> *	Carnic Lily	Mostnice Gorge & meadows
<i>Lilium martagon</i>	Martagon Lily	Mostnice Gorge & meadows
Melanthiaceae	Herb-Paris Family	
<i>Paris quadrifolia</i>	Herb-Paris	Lake Bohinj margin
<i>Veratrum album</i> subsp. <i>lobeliana</i>	Green False Helleborine	Vogar
Orchidaceae	Orchid Family	
<i>Cephalanthera damasonium</i>	White Helleborine	Lake Bohinj margin
<i>Cephalanthera longifolia</i>	Narrow-leaved Helleborine	Lake Bohinj margin
<i>Cephalanthera rubra</i>	Red Helleborine	Lake Bohinj margin
<i>Coeloglossum viride</i>	Frog Orchid	Crna Prst
<i>Corallorhiza trifida</i>	Coralroot Orchid	Pokljuka
<i>Dactylorhiza fuchsii</i>	Common Spotted Orchid	Lake Bohinj margin
<i>Epipactis atrorubens</i>	Dark Red Helleborine	Lake Bohinj margin
<i>Epipactis helleborine</i>	Broad-leaved Helleborine	Mostnice Gorge & meadows
<i>Gymnadenia albida</i>	Small White Orchid	Pokljuka

Scientific name	Common name	Location
<i>Gymnadenia conopsea</i> agg	Fragrant Orchid	Lake Bohinj margin
<i>Neotinea (Orchis) ustulata</i>	Burnt Orchid	Mostnice Gorge & meadows
<i>Neottia cordata</i>	Lesser Twayblade	Pokljuka
<i>Neottia nidus-avis</i>	Bird's-nest Orchid	Lake Bohinj margin
<i>Neottia ovata</i>	Twayblade	Lake Bohinj margin
<i>Platanthera bifolia</i>	Lesser Butterfly Orchid	Lake Bohinj margin
<i>Traunsteinera globosa</i>	Round-headed Orchid	Vogar
Poaceae		
Grass Family		
<i>Anisantha sterilis</i>	Barren Brome	Ribcev Laz
<i>Briza media</i>	Quaking Grass	Lake Bohinj margin
<i>Cynosurus cristatus</i>	Crested Dog's-tail	Lake Bohinj margin
<i>Dactylis glomerata</i>	Cock's-foot	Ribcev Laz
<i>Helictotrichon pratense</i>	Meadow Oat-grass	Vogar
<i>Lolium perenne</i>	Perennial Rye-grass	Lake Bohinj margin
<i>Nardus stricta</i>	Mat Grass	Pokljuka
<i>Poa alpina</i>	Alpine Meadow-grass	Vogel
<i>Poa alpina</i> var. <i>vivipara</i>	Viviparous Alpine Meadow-grass	Mostnice Gorge & meadows
<i>Poa annua</i>	Annual Meadow-grass	Ribcev Laz
<i>Poa nemoralis</i>	Wood Meadow-grass	Vogar
<i>Schedonorus pratensis</i>	Meadow Fescue	Lake Bohinj margin
<i>Sesleria caerulea</i>	Blue Moor-grass	Crna Prst
Tofieldiaceae		
Scottish Asphodel Family		
<i>Tofieldia calyculata</i>	Tofield's Asphodel	Mostnice Gorge & meadows
