# Hello, Welcome to Galema's Greenhouse

Sometimes it is hard to comprehend what happens on the other end of your orders. By the time you look at the catalog, we have researched plants from multiple sources from all over the world to bring you a unique offering of products. We search out the newest introductions while keeping the best of the products you've grown for many years.

Then the fun begins...this year we have 1,761 different products that we will be growing and shipping. Most of this shipping happens in just a few short weeks. Whether we put it in a box to be delivered via courier, collect items for you to pick up or load it onto our truck for delivery, we strive for each order to get our thorough attention.

The sooner you can get your orders turned in, the better prepared we can be to fill your order completely or to alert you of any problems along the way. Each season, we strive to do things better. When we work at this together, we can all succeed at providing beautiful plants to the market. We invite you to grow along with us to raise the bar just a little higher.

**Geranium - Zonal Specialty**

**Geranium Zonal Appleblossom Rosebud**  
 Double: Large bloom with clusters of tightly gathered petals, all tipped in Rose Pink.

**Geranium Zonal Chinese Cactus**  
 Fancy: Showy clusters of Salmon-Pink and White bloom above small, deeply cut, banded Green leaves with a Bronze zone.

**Geranium Zonal Chocolate Mint**  
 Scented: Sometimes the term Chocolate refers more to the color of a plant than the scent of the plant, as in the case of Chocolate Mint Scented Geranium. This plant has a Chocolate-colored vein that runs down the rib of the leaf and fans out into its fingers. The almost Black variegation fades to a rich Green as summer progresses. While this is a great-looking plant with a rich minty fragrance, it does not smell or taste like Chocolate.

**Geranium Zonal Citronella**  
 Scented: Dramatically lobed leaves; strongly scented snowflake foliage often promoted as an insect deterrent.

**Geranium Zonal Ginger**  
 Scented: Softly scented of Spice.

**Geranium Zonal Indian Dunes**  
 Fancy: Mounds of scalloped Chartreuse leaves with Bronze centers, complimented by an Orange/Red bloom.

**Geranium Zonal Lady Plymouth**  
 Scented: Large, deeply divided light Grey-Green leaves that are edged in White. The foliage gives off a light Mint-Rose scent. Lady Plymouth produces small clusters of Lavender or Pink flowers in the summer months.

**Geranium Zonal Mrs Parker**  
 Fancy: Green leaf, wide Red zone and a Cream edge.

**Geranium Zonal Mrs Pollock**  
 Fancy: Large tricolored leaves with double red blooms.

**Geranium Zonal Occold Shield**  
 Fancy - Deer resistant and drought tolerant featuring yellow leaves with dark brown centers and orange-red flowers.

**Geranium Zonal Old Fashioned Rose**  
 Scented: This plant, of medium height, has Gray-Green strongly indented leaves, a nice Rose scent and Lavender flowers. The most important scented pelargonium for the commercial production of Rose-geranium oil, it is also used in jams, jellies, and potpourri. It makes an attractive potted plant as well.

**Geranium Zonal Peppermint Rose**  
 Scented: One of the best all around Scented Geraniums. It is also nice because it doesn't get as large as some of the other scented geraniums which makes it a good size for smaller gardens and large containers; add in occasional light Pink flowers and a Minty-Rose fragrance.

**Geranium Zonal Persian Queen**  
 Fancy: Golden Geranium grown for the glorious pure Yellow Ochre rounded leaves. Striking as a "spot" plant, even if not full of its vivid Hot Fuchsia single bloom.

**Geranium Zonal Petals**  
 Fancy: Single Pearl eyed Soft Pink lightly colored bloom clusters fading to Pinkish-Mauve over Silvery-Green upcupped irregularly outlined leaves brightly margined Ivory; compact habit.

**Geranium Zonal Pink Happy Thought**  
 Fancy: Cream centers with Dark Green margins and Pink bloom.

**Geranium Zonal Platinum**  
 Fancy: Salmon toned single Scarlet bloom arise above the quite odd waffled Pale Milky Green rounded leaves with evenly cut Creamy White margins; wide oddly angular mounding habit.

**Geranium Zonal Red Happy Thought**  
 Fancy: Cream centers with Dark Green margins and Red bloom.

**Geranium Zonal Red Rosebud**  
 Double: Petite clusters of bloom that look like Nosegays in a Bright Lipstick Red.

**Geranium Zonal Vancouver Centennial**  
 Fancy - Star shaped flowers with pointy two-toned lobed leaves.

**Geranium Zonal Wilhem Languth**  
 Fancy: Soft Green and White variegated foliage below attractive Red bloom.
